### Description:

Aristo Health Inc. is a new generation health and wellness company that specializes in functional foods and beverages. Its new line of "aristo" wellness products are tasty, functional foods formulated by nutrition experts. They contain the best "super-nutrients" sourced from around the world, proven to help support optimal body + mind function and overall health.

Aristo's growth strategy will include the introduction and rapid commercialization of nutrition bars, health tonics and beverages as well as specialized combinations of dietary supplements formulated to promote energy/vitality, weight loss, immunity, anti-aging rejuvenation as well as cardiovascular health.

Aristo Health has formed key strategic alliances and co-branding relationships with manufacturers such as Ocean Nutrition Canada Ltd. for the MEG-3® brand of EPA/DHA omega-3 fatty acids from fish oil, with Cognis Corporation for the Heart-Choice™ brand of natural plant sterols, an internationally renowned flavor house and is actively working on other similar relationships.

The company was founded by Dr. Gursh Bindra, a PhD nutritionist with 20 years prior international business experience with Fortune 100 companies. Aristo Health is privately held and is based in Morristown, New Jersey, USA.
